

Who can enroll?

All Resident Undergraduate and International students enrolled in 9 or more credit hours are automatically enrolled in this insurance Plan and the premium for coverage is added to their tuition billing unless proof of comparable coverage is furnished.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 61 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.
